Compellent C-Drive 2008 Customer Conference

May 6-8, 2008

Hyatt Regency
1300 Nicollet Mall
Downtown, Minneapolis, MN

Why Should I Attend C-Drive 2008?

1. Choose from over 20 specialized best practices sessions presented by Compellent users, technology alliance partners, industry analysts and product specialists
2. Learn storage management techniques to drive down storage TCO
3. Turbocharge your SAN with product how-tos and training with Compellent storage architects
4. Get the inside edge by spending 1:1 time with Compellent executives, technical staff and Copilot engineers
5. Build a virtual pit crew with your peers and discover how they use the Compellent SAN

Compellent C-Drive also offers numerous networking opportunities including a special Business Partner and Customer Appreciation event and the Compellent expert area.
